

## Community Grant

### What is Grŵp Cynefin's Community Grant?

This is a grant scheme up to £500 available for groups working within Grŵp Cynefin's operational area (six counties of North Wales and north Powys). It is available to voluntary and community groups or to a group of residents who would like to get together to make a difference within their community. It is not essential that the group has a constitution.

### How can we help your organisation and community?

We can fund projects that achieve one (or more) of the following:

- Improving the area the group lives in
- Organise an event to get the community together
- Getting young people involved
- Play and recreation opportunities for children and young people
- Involving the whole community
- Improving the environment
- Making people feel safer and more secure
- Creating spaces for wildlife
- Improving the wellbeing of the community by encouraging active and healthy life styles
- Involving people of all ages and abilities in the community
- Promoting the Welsh language
- Responding to challenges following Covid-19

The Grants Panel meets 6 times a year and applications should be submitted by **12pm on the 1<sup>st</sup> of February, April, June, August, October and December**. You will be notified if you are successful or not within a week following the Grants Panel's meeting. A group is unable to submit another application within a 12-month period e.g. if an application is considered in April's grants panel, the next application cannot be considered until the following April.

### Who cannot apply\*?

We cannot consider applications:

- Towards running costs
- Towards a one-off project/event that starts/will take place before the Grants Panel meeting
- From companies which aim to profit
- From individuals
- From schools – for mainstream activities that should be funded by another source
